Financial aid is defined as any grant, part-time employment, scholarship, or other federally funded program. Students with financial need may be eligible - applies to Programs of 600 hours or more. Central Tech Federal School Code: **009964**

Free Application for Federal Student Aid (FAFSA) www.fafsa.ed.gov.

College Connection

Get specific college connection information by contacting the college credit advisor.

Residential Carpentry

Construction Trades offers a level of training that qualifies both high school and adult students for entry into the building trades industry or cabinetmaking industry. Practical experience is offered in various phases of residential construction. Skills taught include: tools and job safety; use of hand and power tools; plan reading and elevations; framing of floors, walls, ceilings and roofs; roofing applications and thermal and moisture protection; exterior and interior finishing, and cabinetmaking.
